Sally Visits San Diego

While on a trip to the West Coast, our Sally Nye was hoping to meet with some model ship builders who live in the San Diego area. Through Kurt Van Dahm's efforts, a meeting was arranged.

San Diego Ship Modelers Guild members Mike Lonnecker, Chuck Seiler, and Alex Roel met with Sally on the Embarcadero.

The fact that Sally is currently working on the *Philadelphia* couldn't have worked out any better. Chuck brought his model of the Valcour Island gundalow, and notes and techniques were exchanged.

Our shipmate was then given a personal tour of the Museum, which included the *BERKELEY*, the Museum Model Shop, the *SAN SALVADOR*, the *CALIFORNIAN*, the *SURPRISE*, and the *STAR OF INDIA*. The group wrapped up the day with a luncheon hosted by Mike.

We want to thank Mike, Chuck, and Alex for the kindness, and consideration they showed our member. Sally is a very special person, and we know she will look back on this experience with a great deal of fondness.

42nd Annual Butch O'Hare Model Contest and Vendor Show

Although not as plentiful as other categories, model ships still held their own at the 42nd IPMS Model Contest and Vendor Show.

The big winner in our category was Sam Parent. Three of his models took Gold and one of them, the *Valkyrie*, won Best Nautical Award.

● Tri-Club Anti-Piracy Policy ●

Here is a list of banned companies that have been pirating and duplicating kits, books, and plans from reputable manufacturers.

Quite often these disreputable companies offer their products at what appear to be reasonable prices, but these items are often poor in quality. Many of them do not have websites. They market their illegal products via the Internet on sites such as eBay.

If you are contemplating your next project, please check this list. If you are not sure, discuss it with Kurt Van Dahm before you commit to a purchase. For easy reference, this information will appear in all future issues of the *Forecastle Report*.

DryDock Models and Parts (Canada) sells for companies that pirate.
